## Stealth Watering System™ Water Supplies

These versatile and rugged water supplies are designed to deliver water to your PRO Series™ Stealth Watering Systems™.

Use the Gravity Feed Tank with optional shelf, the Direct Link or PRO Series Deionizer system with adapter to create a watering station.

Or fill the PRO Series Mobile Watering Cart with approved water and take it to your batteries.

# Stealth Watering System™ Water Supplies

The PRO Series™ Stealth Watering System™ is the best watering system on the market for small and light duty applications. Unlike other systems, the Stealth Watering System makes multiple float sizes unnecessary. The system's unique design incorporates a one-size-fits-all philosophy to ensure that all battery cells are filled at the same level simultaneously.
